

2. CULTIVATE Spiritual Interest

Be Strategic in Cultivating the Spiritual Interest of Others

Remember that I consider this an important **strategy** toward others. I do not want to offend anyone by speaking about my knowledge through the **Word of God** (scripture).

- 1. Be strategic when **discussing** the **Word of God** with others. It is not always possible to discuss the **Word of God** with everyone.
- 2. Be strategic when **discussing** the **Word of God** with others. It is not always possible to discuss the **Word of God** with everyone.
- 3. Be strategic when **discussing** the **Word of God** with others. It is not always possible to discuss the **Word of God** with everyone.
- 4. Be strategic when **discussing** the **Word of God** with others. It is not always possible to discuss the **Word of God** with everyone.
- 5. Be strategic when **discussing** the **Word of God** with others. It is not always possible to discuss the **Word of God** with everyone.

"I thought of talking **about the Word of God** with others. I considered the **Word of God** (scripture)." (1 Peter 3:15)
