4. HARVEST Decisions for Christ

Encourage interests to follow Christ and be baptized, or accompany them to evangelistic meetings, where appeals are made. Here are several ways to lead someone from a **study** interest to a **baptismal** interest, and ultimately a newly baptized member:

- **Encourage your friend to make decisions for Christ, including baptism.**
- **Support your friend in completing the remaining topics in a Bible study or evangelistic series after a baptism decision has been made.**
- **Prepare your friend for baptism by reviewing the fundamental teachings of the Bible and the commitment involved in baptism (using *Fundamentals of Faith* or a similar resource).**
- **Celebrate with your friend on the day of his or her baptism.**

"When persons who are under conviction are not **brought to make a decision** at the earliest period possible, there is danger that the conviction will gradually wear away" (*Evangelism*, p. 229).
