

Friendship and Companionship

For the [program](#) to be successful, it is important that you make your neighborhood, community, family and other people your life. This doesn't mean to leave off your studies, your working life, or the other things that are important to you. But it does mean that you should be able to find a way to make your life a better one. It is important that you should be able to find a way to make your life a better one. It is important that you should be able to find a way to make your life a better one.
