

Treatment and Reflection

Students adapt to new experiences and perspectives. Through debate and reflection, students explore strategies, incorporating digital tools, when the need arises. They understand the benefits of using digital tools to explore and reflect on their learning. They understand the benefits of using digital tools to explore and reflect on their learning. They understand the benefits of using digital tools to explore and reflect on their learning.

Testimonies and Reflections (sample writing)

Reading my husband's letter was a very interesting experience and certainly

gave me a very different insight into what he was going through.

My husband's letter was a very good one and I was very happy to

see it. I hope that he is happy and that he is well.

Reading "The Testimonies" was a very interesting and informative book.
